After nearly pinning Dobzanski in the second period, Arena won his bout 12-5 as Paul VI lost a thrilling 23-22 dual meet. Over the past 41 years Atkinson has dedicated himself as a youth coach in both baseball and wrestling and as a scorekeeper and timer at all levels of high school wrestling. Aside from watching his sons compete in wrestling for Woodbury, Atkinson recalls his little league baseball team winning 53 straight regular season games as highlights of his sports career. He also served as a soccer, baseball and softball official for 10 years. As a result of his many years of scorekeeping at Woodbury, Atkinson became a household name, which led to his working as a scorer at the junior college level at Gloucester County College for two years and as a multi-year District 29 scorer as well as the scorer for the South Jersey Group Championships. Not content to stop volunteering at the local level, Atkinson moved on to serve as a timekeeper at the NJ State Group Championships held at the Pinebelt Arena and the N.J.S.I.A.A. State Individual Championships where he acted as the tournament's announcer, registration clerk and as a timekeeper. Atkinson complemented his volunteer work by serving as a tireless worker for the Woodbury Booster Club for over 20 years and as a Platinum Club member of the South Jersey Wrestling Hall of Fame, serving on the organization's executive committee for another dozen years. Up two weight classes the following year (135), Austin reeled off a pre-quarterfinal technical fall over Ray Weed of Absegami, 18-2 (4:32), and then followed with a quarterfinal 11-3 major decision over Ken Rodriguez of Bound Brook. Austin lost a heart-breaking 11-7 match to Chris Bitetto of Hackensack to come away as the silver medalist and a career record of 105-14. Austin continued his education and wrestling career at Rutgers University. Once again, Austin demonstrated prowess on the mat, placing all four varsity years in the prestigious E.I.W.A. Tournament, but it was his two fourth place finishes in '02 and '03 that qualified him for the Division I NCAA Tournament at 149 pounds. Though Austin did not place in the tournament, he finished his collegiate career with an impressive record of 106-44. He says he could not have accomplished what he did as a schoolboy wrestler without Jim Gorman and his coaching staff at Washington Township. Michael J. Booth (Class of 2013) **Camden Catholic High School**

A 2000 graduate of Camden Catholic High School, Booth was a four-time District 27 Champion, a four-time Region 7 Champion and a four-time New Jersey state place winner while wrestling for Hall of Fame coach, Gary Papa. Booth began his succession of school boy accomplishments with a 7/8 finish his freshman year at 103 pounds. This was followed by earning runner-up status his sophomore year at the same weight. He advanced to the finals before bowing out to Tom Noto of South River via a 6-2 verdict. Moving up two weight classes to 119 pounds his junior year, Booth dropped his pre-quarter final match to the eventual runner-up, but wrestled back to take 4th place honors. Competing at 130 pounds his senior year proved to be the best year of Booth's career. At the State Tournament, he won a 5-1 decision over Jordan Hicks of Willingboro, a 9-6 decision over Dennis McSweeney of Lyndhurst, a 9-8 semi-final decision over Frank Edgar of Toms River East, then capped off his 126-8 high school career with a 10-1 decision over the defending State Champion, Dave Cordoba of Kearny to claim the N.J. State Title. Upon graduation from Camden Catholic, Booth went on to wrestle at the University of North Carolina, where he compiled a record of 33-39 and garnered runner-up honors in the ACC before graduating in 2005. He considers winning a N.J. State Title in 2000 as the highlight of his wrestling career. Other memorable moments in his wrestling career were wrestling for Hall of Famers, Dale Bonsall, Gary Papa, as well as his college coach, C.D. Mock. Booth sites being able to compete on the same high school team with his older brother, Rob a very memorable experience, along with receiving the family support he received from his father and mother, his sisters, his grandparents and his aunt and uncle. Of the many memories Booth cherishes is being able to sit down and have dinner with the late, former wrestling legend, Dave Schultz, after a team practice at Team Foxcatcher.

Robert Booth (Class of 2025)
Camden Catholic High School

A 1997 graduate, Booth captured three District 27 and two Region 7 titles and made two appearances in Atlantic City at the N.J.S.I.A.A. State Wrestling Championships. Rob made his first state appearance at 145 pounds after upending Wayne Franzee of Lenape by fall (5:17) in the Region 7 finals. The following week in the pre-quarterfinals of the State Championships in Atlantic City, he won by a major decision over Audubon's Mike Loeffler (14-5), but dropped his next match to the returning state champion, Don Pritzlaff of Lyndenhurst. Forced into the wrestle backs, a narrow 5-3 decision eliminated Rob from the competition. After grabbing his second Region 7 title (a 1:43 fall over Rancocas Valley's John Carson) in '97, Rob was back in Atlantic City determined to make the podium.

In his first match, he started by knocking off Brad Nace of Lenape (5-2), then downed Dan Deegan by North Hunterdon via pin in 5:13 in the quarter-finals. The semifinal match with Roselle Park's Eric Swick proved to be a barn burner that saw Rob prevail in a 12-10 overtime match. Poised for the finals, Rob unfortunately was not able to overcome Justin Colaluca (Warren Hills), but considers his silver medal effort as a highlight in the sport. This milestone launched a 17-year streak of Fighting Irish wrestlers competing in the state final match. Though his high school career was over, Rob finished with a total record of 96-16 and was named 1st team All South Jersey. He also aided Camden Catholic High School in winning three Olympic Conference titles, the school's first Parochial A State Championship and two District 27 team championships under the tutelage of Hall of Famer, Gary Papa ('94). Upon graduation, Rob attended the University of Maryland on a wrestling scholarship, where he continued his wrestling prowess by earning the silver medal at the 2000 ACC Championships and qualified for the Division 1 NCAA Tournament. Reflecting on his career, Rob shares that competing alongside his brother Mike, sharing the experience with his father and receiving the unwavering support of his family remain the most meaningful moments of his wrestling journey. After graduating from Maryland in 2001, Rob was able to continue in wrestling, officiating the sport for three years and finding time to help coach at Cherokee High School. Beyond the mat, Rob finds his greatest fulfillment in the love and laughter he shares with his wife Lauren and their children Annabel (8), Jack (6) and Emma (4).

Bowne accepted his first coaching assignment at Camden Catholic High School and was the head man there 15 years. After stepping down as coach for two years, Bowne took over a struggling program at Bishop Eustace Prep, turning in a 9-10 mark in his first year after the school was 12-25 in the two previous years. Bowne compiled a sparkling 186-89-4 record in his first 18 years of coaching, 10th on the all-time win list among South Jersey coaches. He had just two losing seasons in that span. His teams won five South Jersey North Conference championships and finished runner-up four times and won five Christmas tournament titles, finishing second three times. He led Camden Catholic to the first state Parochial A championship in 1980 and his Bishop Eustace team won the South Jersey Parochial B title in 1987. He coached 26 district and five regional champions in his first 18 years. Bowne, the 1974 Region 8 Coach of the Year and an inductee in the Camden Catholic Hall of Fame in 1984, served as a member of the Executive Committee of Region 7 and 8, was elected Secretary of the South Jersey Wrestling Hall of Fame Organization at its inception in 1980.

Peter Brandt (Class of 2018)

Paulsboro High School

A 1987 graduate, Brandt was a two-time District 29 Champion and a two-time Region 8 silver medalist, thus qualifying him twice for the N.J.S.I.A.A. State Championships in Princeton's Jadwin Gymnasium. Brandt's first appearance in Jadwin Gym in '86 proved to be his best finish as he captured runner-up honors at 170 pounds. On his way to the finals in '86, he won an 18-4 major decision over Randy Wertz of Cedar Ridge, a 10-5 decision over Lamont Jackson of Elizabeth, a fall (3:54) over Phillipsburg's Tom Miers and an 11-8 decision over Rich Green of Burlington. In the match for the gold, Brandt fell to Bob Martin of Brick Memorial. Encouraged by his success, Brandt earned his way back to Jadwin the following year, again at 170 pounds. He won his first match via a 9-3 decision, but then lost a tough 5-2 decision to Darin Farrell of Madison Central. In the wrestlebacks, Brandt reeled off two decisions (18-6 and 5-4) and a fall (4:27) before losing for the second time to his Madison Central nemesis, thus finishing a very respectable 5th and amassing a career high school record of 69-11-2. Upon graduation, Brandt entered Kean University to continue his education. During his years at Kean, Brandt wrestled and was a New Jersey Athletic Conference Champion winning his qualifier in 1990 and had a career college record of 57-17. After graduating in 1991, Brandt began his career as a special education teacher. He continued his love of the sport of wrestling by serving as an assistant coach, where his coaching odyssey took him to West Deptford for one year, to Burlington Twp for six years, and to Eastern Regional High School for six years. He had to step away from coaching when he accepted a position as an assistant principal in the Egg Harbor Township School District. Pete then moved on to become the principal of Lindenwold High School in 2009, a job in which he remains today. Brandt considers wrestling in the state finals at Jadwin Gymnasium as one of his career highlights, but adds that seeing his entire '86 team in the District 29 individual championships was also a defining moment for him. He recalled avenging a previous year's loss to Vineland's Rich Scarpa by pinning him in front of a capacity crowd at home and seeing his team defeat Paul VI High School in front of a packed house as being most memorable. Brandt remains as principal at Lindenwold High School, but remains involved with the sport as an N.J.S.I.A.A. official, where he has seen action at the district, region and state levels. He also serves as the cadet supervisor for new officials. Brandt and his wife, Denise, live in Sicklerville with their two daughters, Cara (12) and Avery (7).

A year later he moved up to the JV level with the kids and his team went unbeaten once more. He spent three more years on the staff before business and family commitments consumed more of his time. Among his most memorable moments were the intense matches he had with Riverside's Dana Whitehouse in consecutive district and regional finals. Browning considers his career highlight the state semifinal his senior year when he trailed 5-3 with 30 seconds remaining before he took his opponent down and pinned him to advance to the state finals.

Joe Burke (Class of 2015)
Buena High School

A 1990 graduate of Buena High School, Burke was a two-time District 31 runner-up and a 3rd place finisher in Region 8 before hitting his stride at the collegiate level. Burke began his college career at Wagner College in New York, where, as a true freshman, he won the New England Conference Championships and qualified for the Division I NCAA Tournament. In his first trip to the NCAA Tournament, he dropped a pigtail bout to Nick Garone of Old Dominion. Due to Garone's failure to win his next match, Burke was not qualified to advance. The next year (92) Burke transferred to Seton Hall and again winning the New England's qualified him for the NCAAs. He lost an opening round match to Troy Sunderland of Penn State, 7-4 and during his first consolation match Burke was called defensively pinned, while leading by a score of 10-0. The following year ('93), Burke again won the New England Championships qualifying him for the NCAAs. This time Burke made a statement by defeating #3 seeded Torrae Jackson of the host school, Iowa State by a 1-0 decision, setting the stage for Burke to earn 4th place All-American honors at 150 pounds. After taking a red shirt year in '94, Burke came back at 158 pounds in '95, and again qualified for the NCAAs by winning the Big Northeast Conference Championships. This time Burke was the #1 seed in the weight class largely in part to his having earned All-American honors in '93. Burke ran off decisions of 8-4 and 7-3 over Wyoming's Brandon Alderman and Clark Conover of Cal Poly-San Luis Obispo, respectively, before yielding a heart-breaking, one-point loss on a takedown at the buzzer to Ohio State's Eric Smith. Not discouraged, Burke came roaring back to take 3rd place honors, making him a two-time All-American and Seton Hall's most decorated wrestler. Burke concluded his college career with a total record of 148-20-1. Burke cites his two-time All-American status as the highlights of his career; but, as the tournament's #12 seed in '93, he points to his upset victory over #3 seeded Torrae Jackson of Iowa State as his most memorable moment in the sport, because not only did it help earn him the #1 seed for the following year, but reinforced his belief that anything is possible through dedication and hard work. Burke graduated from Seton Hall in '95. He currently works for the Action Environmental Group, which has offices in New York City and in New Jersey. As a freshman, wrestling at 189 pounds, Cooney advanced to the quarter-finals before dropping a match putting him in the consolations, where he wrestled back to earn 6th place honors. His sophomore campaign at 215 pounds proved to be more successful as he won three matches at the State Tournament before losing a 5-4 decision in the finals. Again, competing at 215 pounds, Cooney entered the State Tournament as a junior, and reeled off four victories, including a 3-2 decision over Paulsboro's Mike Mendenhall in the finals, to win his first State Championship. His final campaign at heavyweight proved to be another standout year at the State Tournament, where he opened with a 5-3 victory over Jason Hatchell of Clearview, then won his quarter-final match via fall in 3:23 over Brian Butler of Piscataway, his semi-final match by a 4-1 decision over Diego Crespo of Garfield and his final match by a fall over Devin Perez of Pope John in 3:27. Cooney finished his high school wrestling career as a two-time State Champion with a record of 139-8-0. Corbett's success earned him the distinction of being the 80th member, but the first wrestler, to be inducted into the George Washington University Athletic Hall of Fame in 1998. Corbett's fondest wrestling moment came on February 14, 1976 when his Rancocas Valley team defeated Paulsboro, thus ending the Red Raider's 84 match win streak. Corbett recalls that prior to that victory over Paulsboro, it was Rancocas Valley that had beaten Paulsboro almost exactly five years earlier, which became the start of Paulsboro's 84 match streak. Corbett marvels that so many members of both teams had so many wrestlers and coaches who later became Hall of Famers. He also remembers that the official the night his f76 team's victory was Hall of Famer Jim Horner (89). After graduation from George Washington University in 1982, Corbett eventually made his way back to his roots in wrestling while living in Maryland. He served as an assistant coach and has run a free open-mat clinic, which is available to all interested wrestlers, and as a youth team coach.

He and teammate Mike Booth became the only two Camden Catholic wrestlers to reach the finals of the prestigious Senior National Tournament, which constituted another memorable moment for Cornely. While at Duke, Cornely amassed over 100 Division I wins and won two ACC titles (184 pounds) to become only the 6th wrestler in Duke's 80 + year history to accomplish this feat. Cornely qualified twice for the Division I NCAA Tournament. During his career at Duke, he spent three semesters wrestling at the Olympic Training Center in Colorado Springs, where he wrestled with members of the United States Olympic Team and competed in six different countries in freestyle wrestling. This experience greatly aided him in his success at Duke in the ACC Tournament for two years running, and it was an experience Cornely says he will never forget. He completed his college career by becoming Duke's 1st wrestler ever to place in the highly regarded University Freestyle Nationals. With his college career behind him, Cornely graduated and used his investment prowess to cofound a Duke alumni support group which managed to raise over \$500,000 from 2006-2010 to aid the university in hiring more seasoned coaches and meet growing budgetary concerns. Cornely has also managed to mentor several Duke Graduates to develop the necessary skills to gain placement in jobs upon graduation. Cornely continues to serve as an aid in Duke's alumni fundraising events. Never a man to forget his roots, Cornely also is an active donor to his alma mater, Camden Catholic, and has secured corporate funding to help defray the rising costs of the Irish wrestling team. Today he remains an active supporter of both programs. Derengowski was introduced to wrestling as a freshman and never won a match his first year. He was 21-1 on the jayvee level as a sophomore and started varsity as a junior. A first-round loss in the districts his junior year prompted an intensive off-season program of running, lifting and wrestling. A loss to two-time state champion Dave Boncher of Phillipsburg in a Christmas Tournament marred the start of a senior season that culminated with a state title that included a win over Boncher in the state finals. Derengowski blossomed as a collegiate wrestler at Rider University where he compiled a 107-24 record, including a third-place NCAA Tournament finish as a senior in 1991. He considers the highlight of his athletic career taking 3rd place at the NCAAs to become a Division I All-American as a senior. Joseph J. Derillo (Class of 2023)
New Jersey Wrestling Officials Association

A 1969 graduate, Derillo wrestled for the legendary coach, Ernie Finizo, where he went undefeated in dual meets for two years and won a District XII Championship in 1968. Upon graduation, Derillo continued to aid wrestling by serving as a coach for the Roselle Park youth program and by helping take the lead of founding the Union County Youth Wrestling League. Derillo took a year away from the workforce to attend and wrestle for Union County Community College, where, under Coach Jerry Purdue, he went undefeated in dual meets. Derillo claims Coach Purdue was responsible for getting him started in officiating, because he assigned his charges to join the NJWOA in order to learn the rules of the sport. Under the tutelage of acclaimed state wrestling official, Dick Matarante, Derillo acquired the nuances of the sport's rules. An official since 1974, Derillo officiated all over the state, save for South Jersey. All that changed in 1978 when Derillo worked a match between Shawnee and Rancocas Valley. After the match, Derillo was approached by the opposing coaches (future Hall of Fame members), Bill Neal ('90) and Tony Petrillo ('85) and told him how he should never be anywhere but officiating on a match day. This is one of Derillo's most memorable moments, claiming it was his indoctrination into South Jersey wrestling. Derillo claims that these coaches' endorsements kept him "booked" for seasons to come. Over the years, Derillo has worked numerous sectional tournaments, forty-seven district and regional tournaments, and twenty-five state tournaments, five of which were state finals. Aside from his "on the mat" work, Derillo has been the Southern Chapter's president and vice president, the chapter's cadet supervisor and is currently serving as the NJWOA membership chairman. Derillo claims the highlight of his career is twofold, the first of which was when he was presented with his "state ring" in 1989 for working the state finals. Part two of this highlight was when, before the 2023 N.J.S.I.A.A. Tournament in Atlantic City, he received the Richard C. Mirshak Award for excellence in officiating. There to witness both events were Derillo's wife, Susan, son, Joe, Jr and daughter, Noel, her husband, Steve Marini and four of their five grandchildren. Joe retired from Amtrak as a Communications and Signals Supervisor and also as National President of the American Railway and Airways Association in December 2014. The following year at 112 pounds, Rob hit his stride, winning his first three matches by scores of 11-2, 10-3 and 3-1 before pinning River Dell's Dave Della Torre in 3:39 to claim his first state title. In '09, Deutsch was on his way at 119 pounds, winning his first two matches (a fall in 2:25 and a 5-4 decision) before he was upended in the semifinals via a 3-0 verdict. Undeterred by the setback, Deutsch notched a 7-3 decision over his West Essex opponent and followed with a 3-1 decision over Joe Orecchio (Don Bosco) for the bronze medal. Rob began his senior year by capturing the respected Beast of the East Tournament at 119 pounds. This seemed to set the tone for the remainder of the year as he approached the state tournament in Atlantic City. Deutsch opened the state championships with 5-3 win over Nick Anderson of Delbarton and followed with a 12-2 major decision of Cranford's Joe Giaccio. In the semifinals, Rob overcame Billy Ward (St. Auggies), 8-3 to garner his third state finals appearance; he did not disappoint as he won a hard-fought 7-4 decision over South Plainfield's Troy Heilmann to earn his second state championship. Deutsch closed out his high school career with 156 wins, which was the state record at the time. This, along with forty-two season wins stands out as a highlight of Deutsch's career. Upon graduation, Deutsch enrolled at Rider University where he was a two-year team captain, a three-time conference champion and was the recipient of the Male Athlete of the Year Award in 2016. Rob qualified for the Division 1 NCAA Tournament where he competed at 125 pounds for two years and at 133 pounds his final two years. He cites pinning his state final opponent (Dave Della Torre) for his first title as a most memorable moment in his career. Dennis DiDonato (Class of 2018)

Camden Catholic High School

A 1968 graduate, DiDonato wrestled on the school's club team before a varsity team became a reality; though once a team came to fruition, DiDonato found himself in on the ground floor. Dennis fell in love with the sport and has remained a part of it ever since. Upon graduation from Camden Catholic High School, DiDonato's college of choice, St. Joseph's Univ., had no team in existence, so he prepared himself by staying in contact with the local wrestling scene in South Jersey. After he graduated from St. Joe's in 1972 with a BS degree in mathematics education, he took his first teaching and coaching job at Eastern Regional High School. He served as an assistant to Hall of Fame coach, John Sanders ('93) for five years. He then moved to teach and coach at Oakcrest High School, where he assisted Doug Cervi before being named as head coach in 1981. Throughout all of his years as a wrestling coach, he also coached football, where he encouraged his players to become involved with both wrestling as well as football. He remained as the head wrestling coach until '88, where his teams compiled a record of 72-46-1. He organized the Oakcrest Christmas Classic Wrestling Tournament, and produced 17 individual district champions and 3 regional champions. DiDonato was in the corner at the N.J.S.I.A.A. Tournament when his 3 regional champions earned All-State honors. Dennis supervised the Mays Landing Youth Wrestling program for 5 years and has stayed active as a varsity wrestling official for the past 37 years. During his tenure as an official, DiDonato saw action officiating districts, regions and sectionals. He and Hall of Famer, Art Marinelli ('89) started the Southern Shore Officials' Chapter, where at different times he was the assignor for 5 years, held the offices of vice-president and or treasurer for 9 years and served as president for 10 years. He also became involved with the New Jersey Wrestling Officials Association, serving on the state's ethics committee and constitution committee. DiDonato started the NJWOA Scholarship Committee in 1998, and continues as Co-Chairman to date. He also helped create the South Jersey Youth League/Southern Shore Scholarship in 2014. Dennis continues to work as a timekeeper and scorer at the New Jersey State Group Tournament and at the N.J.S.I.A.A. State Wrestling Championships. Dennis states that there are too many memorable moments to single out one, but suggests that seeing many of his former athletes becoming involved with the sport through coaching and officiating gives him great pleasure. Retired from education in 2006, he currently continues tutoring math and works part time as an insurance agent. Dennis and wife, Elizabeth, reside in Mays Landing and have four daughters: Liesje (MBA), Nicole (PHD), Deanna (MS) and Andrea (MS) as well as 3 grandchildren, Abraham (4) and twins, Augustus and Atticus (1 ½).

Coming off a 2-1 decision in the Region 8 finals over former state champion, John Doran of Pennsville, Angelo began the tournament by notching a win by fall (1:48) over Palisades Park's Tom Toscano and followed with a 12-8 decision ousting of Chris Wolkwitz (Voorhees). Unfortunately, DiJoseph fell by a narrow 4-2 decision in the semifinals and found himself in the wrestle backs. Undeterred by his loss, Angelo dispatched Emerson's Joe Harrimon by fall (2:19) before defeating his quarterfinal opponent (Chris Wolkwitz) for a second time by an 11-0 major decision to take home the bronze medal and complete his high school career with a record of 93-8-1. After graduation, DiJoseph entered college at Central Connecticut State University. There in '90, Angelo won All-American honors at the University Nationals before leaving to begin a career as a coach, which arguably surpassed his success on the mat. DiJoseph's coaching career has spanned twenty-three years between two schools. He spent eighteen years at Delsea and five years at Haddonfield as the assistant coach at both high schools. Angelo assisted in numerous SJ Group Championships, and at Delsea, his team won three Group 3 State Championships. During his tenure at Delsea, DiJoseph was named both the District 31 and Region 8 Assistant Coach of the Year in '09 and the prestigious N.J. State Assistant Coach of the Year. While coaching at Haddonfield, he was named the District 28 and Region 7 Assistant Coach of the Year in '2014 and in 2015 the District 27 Assistant Coach of the Year. DiJoseph was tireless in his dedication to the teams he coached and to his country, having served in the United States Marine Corp for six years. Duke DiJoseph (Class of 2021)
Cumberland Regional High School & Paulsboro High School

As a sophomore at Cumberland Regional, DiJoseph won a District 31 Championship, went on to win the Region 8 Championship to qualify for the N.J.S.I.A.A. tournament in Atlantic City at 103 pounds. DiJoseph quickly rattled off a major decision (13-1) and an 8-1 decision before falling to Phillipsburg's Kevin Dilts (5-3). In the wrestle backs, DiJoseph won by technical fall (17-2) over Hamid Chalileh of Waldwick, but lost his bid for the bronze, earning 4th place honors. As a junior at Paulsboro (112 pounds), DiJoseph won a District 29 Championship and a Region 8 Championship to once again qualify for the state tournament. During his second appearance in Atlantic City, DiJoseph bowed out after going 1-2. In DiJoseph's final appearance at Atlantic City as a 119 pound senior, he won a major decision (18-4) over Rob Blight of Pinelands, then won 10-6 over Eastern's Mike Pierce. The quarterfinals proved problematic for DiJoseph as he lost via default to Summit's Leo Pietrantuono. In the wrestle backs DiJoseph impressed, winning 8-1 over Karl Finney (Union), 6-4 over Demea Haywood of West Deptford, and by 11-2 (major decision) over John Balsamo of Morris Knolls, which set up a rematch with Leo Pietrantuono. DiJoseph turned the tables, winning in overtime and earning the bronze medal, his highest finish in the state tournament. DiJoseph finished his high school career with a record of 108-18-0 before moving on to Virginia Tech, where he amassed a 31-13 record as a freshman. Reconstructive shoulder surgery in '91 sidelined DiJoseph for the '92 season, and after a great start in '93, the recurring injury ended his wrestling career, but opened the door to his coaching career. DiJoseph served as the head coach at Cumberland from '96-'99 before moving on to take over as head coach at Delsea Middle School for seven years. During his tenure at the middle school, DiJoseph coached several future state place winners and a state champion (Anthony Baldosaro). DiJoseph was an assistant coach at Sacred Heart from '06-'08 before leaving to reestablish the Cumberland Junior Wrestling program. This move enabled him to coach his son, Geno and gave him the opportunity to continue to serve as the program's head coach today. DiJoseph cites winning a Region 8 Championship at Cumberland alongside of his brother, Angelo, as a highlight of his career. He adds that coaching Scott Kelly (Sacred Heart) in the '08 state finals as another career highlight.

John W. Doran, Jr. (Class of 2022)
Pennsville High School

As a freshman wrestling at 101 pounds, John made the most of seeing action behind teammate and NJ State Champion (Greg Griffith) in 1985. He used his sub-varsity year of undefeated wrestling to guide him to his own state title the following year. As a sophomore in 1986, John won District 31 and Region 8 Championships to qualify for the NJSIAA Wrestling Championships. John began his assault on the title by downing Emerson's Joe Harriman in the pre-quarter final match, 8-2. He then followed up that victory in the quarterfinals with a 2-0 overtime win against John Maute of Morris Hills. In the semifinals John bested Drew Black of Mahwah, 3-2 to earn his spot in the finals, where he cemented a perfect season (29-0) and grabbed the gold medal with a 12-3 major decision over Steve Rivera of Manalapan. In 1988, wrestling at 119 pounds, John garnered runner-up medals in both the District and Region tournaments, thus qualifying him for another shot at reaching the podium in the NJSIAA tournament. John opened with a fall over Delbarton's John Faccanni in 4:04 and added an 8-1 decision over Hunterdon Central's Mike Darlington, thus setting up a quarterfinal match with Matawan's Jared Michinga, whom he defeated via a 9-4 verdict. The run for the title hit a snag as John dropped a hard-fought 5-2 overtime loss to Mike Indorato (Paramus) and after the wrestle back rounds, finished with sixth place honors. John finished his high school career with an 86-9 record which boasted having never lost a dual match in three years of varsity wrestling. John spent one year competing for Gloucester County College, where he was again undefeated in dual meet competition, was the Mid-Atlantic Zone Champion at his weight class and was a Junior College (JUCO) All-American, finishing the tournament in 6th place. John ended his career at Gloucester County College in 1989 after being named to the All Garden State Wrestling Team and compiling a record of 32-3. John cites his successes with the Pennsville Youth Program and Seagull Wrestling Club as highlights of his career and adds that winning his NJSIAA title in 1986 was his most memorable moment.
